Daniel Passantino

FullStack Developer JavaScript | Typescript | React | Node.js | Expres.js | PostgreSQL, MongoDB

✉ passantinodev@gmail.com   📞 +584121968978   📍 Nueva esparta, Venezuela

Profile

Full Stack Developer with experience in web applications (MERN and PERN stack)

I have participated in several projects both inside and outside of Henry. I also have knowledge of agile methodologies, Git, data structures, algorithms, CSS frameworks such as Bootstrap and Foundation, and preprocessors like Sass and Less. Currently, I am learning TypeScript and Next.js.

Formation

Full Stack Web Development: January 2023 - September 2023 (Henry Bootcamp)
